**RE: Docket Number 04-AAER-1 – Amendments to Appliance Efficiency Regulations**

Dear Commissioners Pfannenstiel and Rosenfeld:

On behalf of Hunter Fan Company, I am writing to express our appreciation to you, your advisors and Commission staff for working with Hunter to resolve concerns regarding previous versions of the amendments as they affected ceiling fans. In a series of conversations and meetings with Mr. Michael Martin and other staff, including your advisors, we were able to explain the reasons for our concerns and to develop alternative language acceptable to both Hunter and the Commission. Hunter appreciates the opportunity to work constructively with the Commission.

Sincerely,

Pete Price
